1. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or make obvious the claimed kite slider. Specifically the prior art fails to show a kite slider comprising the claimed hollow base casing, winding and connection rods inserted in the casing and connected to each other, end rings on each rod, a retainer device connected to the casing and the winding rod, a retaining notch on the casing, and a flying device with a main frame, a pair of leaf blades connected to the main frame, a click frame connected to the leaf blades which engages the retaining notch, and a hooking device disposed on the main frame.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1 and 2 are allowed.

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Battles, Scharge, Bayha, Shoemaker, and Brown are cited as being of interest since they disclose sliding devices that go on kite strings.
